# Media & Public Relations Workshop

28/01/2023 -30/01/2023

The Ritz-Carlton, Amman | Jordan

## Introduction

In this workshop, your participants will get knowledge they need to manage effectively their image and value by forming solid networks through strategic communication planning. Effective networking is essential for day-to-day business or for those times when you are actively pursuing job opportunities. This workshop is designed to provide practical and hands-on tools that will give your participants a skillset in dealing with the media and the public.

Media and Public Relations is the most successful method of communicating your value to those around you. Furthermore, good networking skills enable you to tap into those relationships you already have and increase the scope of your network. The larger the scope the more people know you and offers you opportunities.
